NMRLC Williamsburg

Comprising the Naval Medical Readiness Logistics Enterprise

July/August 2024

Mission: Develop, acquire, produce, field, sustain, and provide enduring lifecycle support of medical materiel solutions to the Fleet, Fleet Marine Force, and Joint Forces in high-end competition, crisis, and combat.

Vision: To be the Joint Force's premier integrated medical logistics support activity.

The Reason for Our Success Is Our People

Financial and Materiel Management Training Course (FMMTC) students from various commands including Fleet Surgical Team 3, NMRTC Naples, 1st MEDLOG CO, NMRTC Guantanamo Bay, NMRTC Okinawa, and NMRTC San Diego received training on expeditionary and operational medical logistics, held at NMRLC Williamsburg, VA, Aug. 20. FMMTC prepares Medical Service Corps (MSC) officers and BUMED identified civil service personnel for assignment to Navy Medical Department's resources and materiel management career fields. Course topics include: DOD/BUMED financial and materiel management organization, budgeting, accounting, business management, equipment management/acquisition, simplified acquisition procedures, contract development / administration, electronic commerce and managed care support/oversight. Student evaluation includes quizzes, module exercises, exams, and a final exercise.
